

It was 20 years ago today....

In November '77, the design team of Bob Stuart and Allen Boothroyd launched their first Meridian product, an active loudspeaker of course!

Since then, Meridian Audio has continued to pioneer advanced audio design in products such as the first high end CD player, the first CD transport, the first DSP domestic loudspeaker, the first digital home theatre and now, high end DVD.

Safeguard your investment, trust Meridian - the real leaders in audio and video
