

Quality redefined, brilliant natural sound...

"One of hi-fi's true classics redefined: this is the best Quad electrostatic design ever, and a truly world-class speaker"

– *What Hi-Fi? Sound and Vision, January 2007*

"I have to say that this is the finest speaker on the planet"

– *Ken Kessler, Hi-Fi News*

"By the highest standards, the 2905s get everything right to a degree that had me shaking my head in awe"

– *Noel Keywood, Hi-Fi World*

QUAD

...the closest approach to the original sound
