

SOUND SENSE

Broadcasting and recording studios throughout the world know that their efforts will be judged by millions of listeners and they take care that their own monitoring and listening rooms use the best equipment available. It is not surprising that the more discerning listeners use the same equipment in their own homes.

The new Listening and Demonstration Room of the BBC Transcription Service, fitted with QUAD 22 control unit, QUAD II power amplifiers and QUAD electrostatic loudspeakers.

for the closest approach to the original sound.
