

The most accurate, transparent and natural Performance

"I have to say that this is the finest
speaker on the planet"

– Ken Kessler, *Hi-Fi News*

"I know of no other speaker I'd rather
own, regardless of price"

– Sam Tellig, *Stereophile magazine*

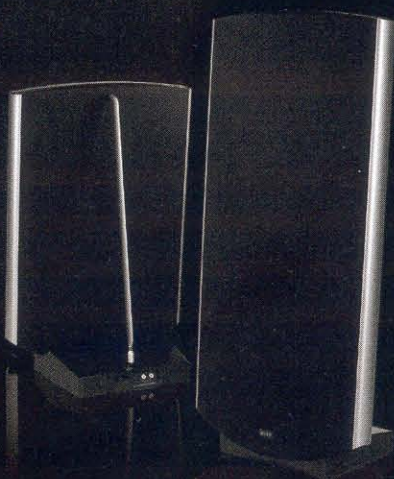

"By the highest standards, the 2905s get
everything right to a degree that had me
shaking my head in awe"

– Noel Keywood, *Hi-Fi World*

New ESL Electrostatic Loudspeakers

A single 'point-source' driver, so incredibly linear and cohesive that nothing can prepare you for the revelation that will unfold. No colouration, no distortion, no artefacts – just brilliant, natural, breathtaking detail and realism.
